Pizza in a Half Shell

- Elevating the TMNT Dining Experience
- Presented by Damian Moye

The Missing Piece

- Generic naming misses the viral potential of nostalgia
- Standard menu items fail to drive valuable User-Generated Content
- Fragmented digital real estate leaks essential organic search traffic

The Opportunity

- TMNT brand is currently at a generational peak.
- We should expand into Location-Based Entertainment and dining.
- The initiative aims to create fully immersive brand experiences.
- These highly shareable brand experiences are the ultimate goal.

THE SOLUTION – "PIZZA IN A HALF SHELL"

- The ultimate, nostalgia-driven brand name.
- A proprietary, highly "Instagrammable" signature menu item.
- Total ownership of the digital category.

THE SIGNATURE PRODUCT (CULINARY IP)

The 'Half-Shell' Technique:

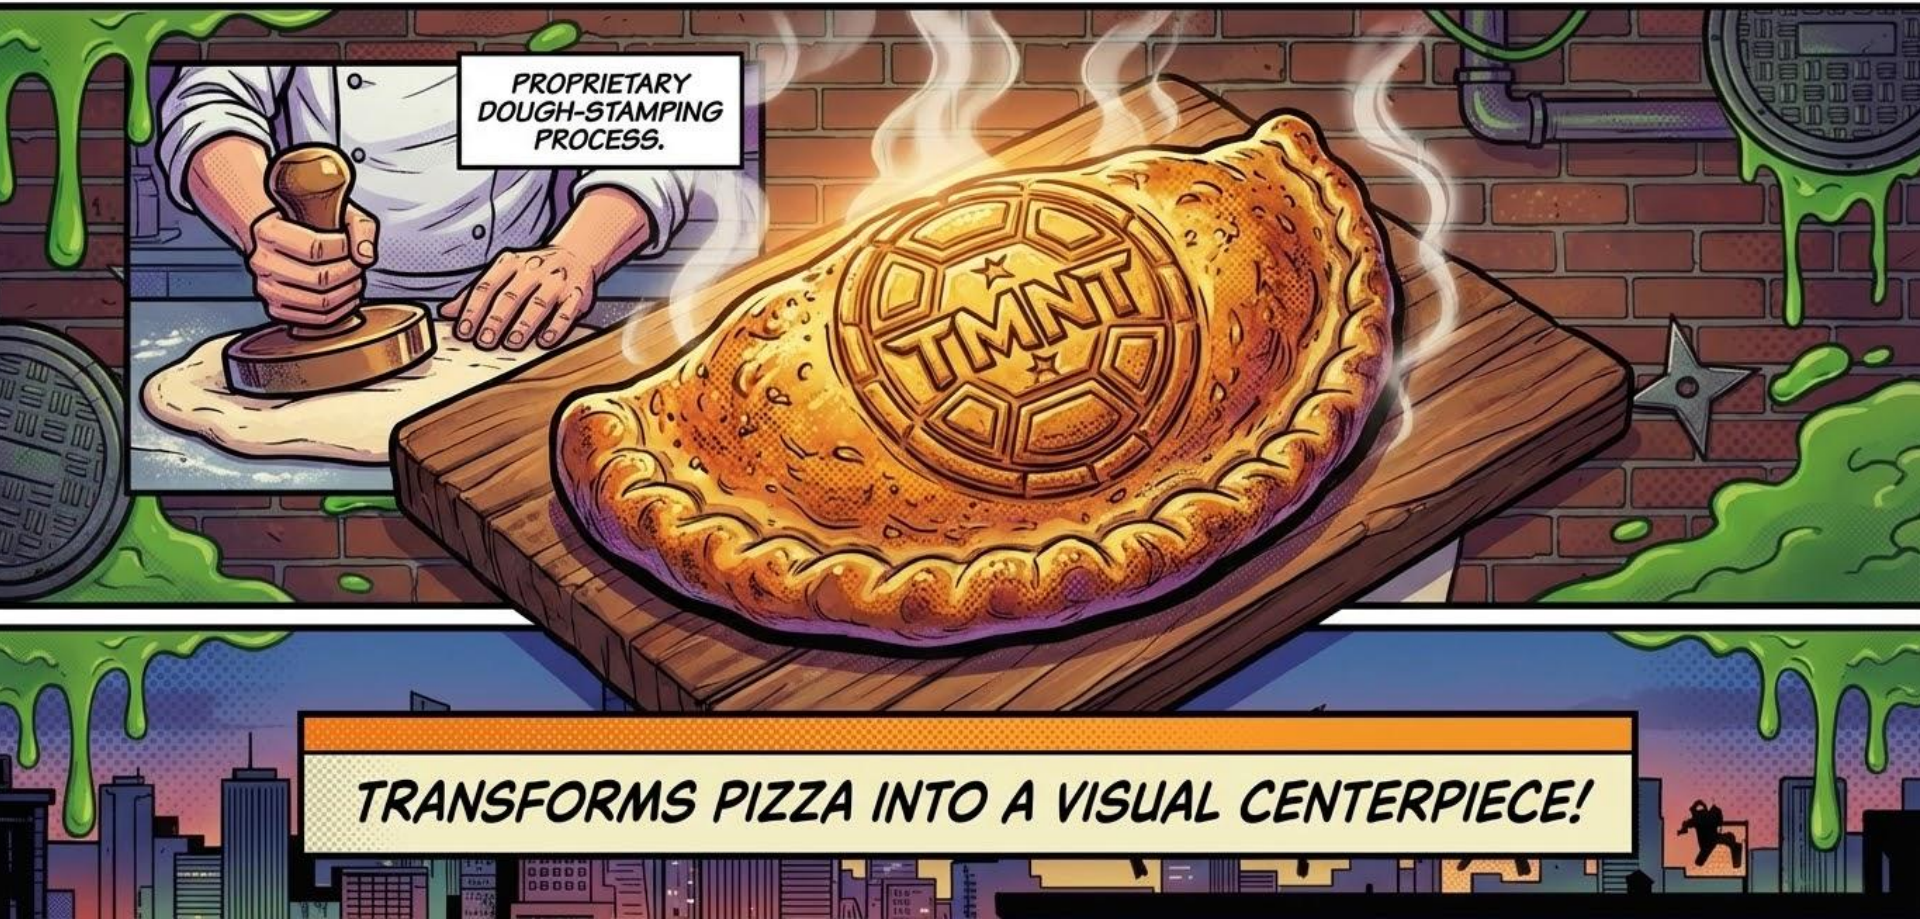
A proprietary dough-stamping process.

3D texture creates a visual centerpiece.

Transforms a standard meal into a viral marketing asset.

THE TMNT 'SHELL-ZONE':
CRAFTING THE LEGEND
Hand-stamped artisan dough,
ready for baking.

CONCEPT 1: THE 'HALF-SHELL' TECHNIQUE



TMNT

DIGITAL MONOPOLY (THE TECH ASSETS)

Immediate transfer of premium URLs:

tmntpizza.com & pizzainahalfshell.com.

Captures 100% of organic search traffic.

Pre-built architectural blueprint for a proprietary rating/loyalty app.

THE CREATOR'S EDGE (WHY THIS WORKS)

ARTISANAL FOUNDATION:

Professional pizza baking experience ensures the 'shell' concept tastes as good as it looks.

TECHNICAL EXECUTION:

Creator of a consumer-facing pizza rating application.

SCALABILITY:

Background in instructional design guarantees the culinary tech can be standardized for franchise operators.

THE HANDOFF STRATEGY

IP TRANSFER

Phase 1: Transfer of Domains and Digital IP.

CULINARY R&D

Phase 2: Short-term culinary consulting to finalize dough-stamping SOPs for commercial kitchens.

OPERATOR ROLLOUT

Phase 3: Paramount's master operators take full control of the viral brand.

THE ASK & NEXT STEPS

PROPOSAL:

IP Acquisition & Short-Term Consulting Agreement.
